

Privacy Policy

Last updated: February 22, 2023

Introduction

Vantage, a service provided by Presentation Products Inc., is a managed service platform designed for businesses to manage and monitor their Audio/Visual networks and related cloud products. This privacy policy outlines our practices regarding the collection, use, and protection of personal information through our website service.presentationproducts.com ("Service").

Information Collection

We collect information to provide better services to our users and clients. The types of personal information we collect include:

- **User Data:** Name, Email Address, Site Preferences.
- **User Tracking Data:** Page visits, Time spent on the service, Clicks, Browser, Operating System, Country.
- **Client Data:** Name, Address, Network, Device, UC Platform.

Use of Information

The information we collect is primarily used for improving service delivery. This involves enhancing user experience, ensuring the efficient operation of the Vantage platform, and tailoring our services to meet our users' and clients' needs.

Third-Party Sharing

Presentation Products Inc. does not share the personal information collected from users of Vantage with any third parties.

Security Measures

Vantage employs a comprehensive set of security measures to protect user data, including:

- Secure database hosting and management by Azure
- Encrypted data storage and transfer using industry-standard protocols and encryption.

User Rights

In compliance with GDPR, CPRA, users of Vantage have the right to access, correct, and delete their personal information. Additionally, users may object to certain processing activities. Requests to exercise these rights can be directed to our designated contact point mentioned below.
